Taylor Wallis Chapter

Genesis 19

June 12th, 1914

Dr. M. E. Taylor,

3 Quinsan Gardens, Shanghai, China.

Dear Dr. Taylor:

Some two months ago I wrote to Mr. Ames after the receipt of your letter urging his co-operation for the securing of the remission of the tax on Chinese students who enter Canada, but he has sent me no reply. However, I have now written directly to the Right Honourable Mr. Borden, who informs me that the subject of Chinese immigration is about to be taken up with the Consul General of China, and that he has sent my letter to the Minister of the Interior to whose attention he has commended it. Meantime, I think this is all I can do in the matter, as I leave to be absent two months in Europe.

With kind regards, I am,

Yours sincerely,

President.
